

Button Making Party Starter Kit

Welcome! In just a few easy steps you'll be on your way to hosting your own #ShoutYourAbortion button making party.

Step 1: Borrow / Rent / Buy a button maker.

Ask around, it's likely that perhaps a friend of yours in a band already has one. If not, you can buy one online (they range from \$20-\$200) and a lot of craft stores rent them out.

Step 2: Organize your event!

Pick a day, time and location that works best for you and your friends. Make sure there's enough space to spread out and a lot of tables

Step 3: Get supplies.

You will need:

- Paper
- Scissors
- Art Supplies (pens, pencils, glitter, glue, markers)
- Button parts (shells, pin backs). Make sure they're the same size as your button maker (they usually come in 1" and 2.25"
- Computer (optional – to make new designs on the spot)
- Printer (optional – to print designs on the spot)

Step 4: (optional) Print out some sheets

Pre-print some button sheets, either using the pre-designed ones or design your own from the blank templates

Step 5: Host your party!
